

**1 – Chemical Product and Company Identification**

**Product Identifiers:** Oil-Only Absorbent Products

**Recommended Use:** Oil-Only Absorbent Products are primarily used to skim/absorb/contain hydrocarbon-based fluids on the surface of water but can be used on dry surfaces to absorb the same aforementioned fluids.

**Specific Products:** Booms and bilge booms

**Product Description:** These products are primarily white in color, but filler and inner sleeve may contain blue pigment.

**Company Name:** Fiberweb (India) Limited

**Address:** Survey No.92/93B, Kadaiya Industrial Est, 100'  
Coastal Highway, Nani Daman, Daman U.T.  
396210

**Telephone:** +91-2602220970 / 2221342

**Website:** [www.fiberwebindia.com](http://www.fiberwebindia.com)

**Email:** [fiberweb@fiberwebindia.com](mailto:fiberweb@fiberwebindia.com)

**2 – Hazards Identification**

**Classification:** This product is not considered hazardous.

**POTENTIAL HEALTH EFFECTS**

**Inhalation:** Not applicable

**Skin Contact:** Not applicable

**Ingestion:** Not applicable

**Eye Contact:** May cause irritation

**Chronic:** Not applicable

**3 – Composition/Information on Ingredients**

<b>CAS: 9003-07-0</b>	Polypropylene (rope, net, filler, sleeve)	>98%
<b>CAS: None</b>	Blue pigment	<0.3%
<b>CAS: Various</b>	Zinc-plated bit snap	<0.2%
<b>CAS: Various</b>	Zinc-plated o-ring	<0.2%
<b>CAS: 7429-90-5</b>	Aluminum staples	<0.2%

**4 – First Aid Measures**

**Inhalation:** Not applicable

**Skin Contact:** Not applicable

**Ingestion:** Not applicable

**Chronic:** Not applicable

**Eye Contact:** Flush with water for <15 minutes. Consult doctor.

**5 – Fire Fighting Measures**

**Extinguishing Media:** This is not applicable until saturated with fluid(s), and then extinguisher must be compatible with said fluid(s).

**Special Fire Fighting Procedures:** Wear self-contained breathing apparatus (SCBA), based on fluid(s) absorbed.

**Hazardous Combustion Products:** Product decomposes at its melting point and may emit carbon monoxide and smoke.

**Unusual Hazards:** Unused: not applicable / Used: refer to absorbed liquid(s) SDS(s).

**6 – Accidental Release Measures**

If product has not been processed in a manufacturing procedure, sweep or vacuum, and dispose of as non-hazardous.

**7 – Handling and Storage**

**Handling Precautions:** Electrostatic accumulation hazard. Use proper grounding procedure.

**Storage Precautions:** Material should be kept dry and protected from the elements. Extreme heat degrades polypropylene.

**8 – Exposure Controls / Personal Protection**

**Engineering Controls:** None required

**PERSONAL PROTECTION**

**Eyes/Face:** Safety glasses

**Gloves:** Not applicable

**Respiratory:** Not applicable

**9 – Physical & Chemical Properties**

**Appearance:** Mostly white, solid, and fibrous (some colored)

**Flammable Limits:** Not applicable

**Odor:** No odor **Odor Threshold:** Not applicable

**Vapor Pressure:** Not applicable

**Vapor Density:** Not applicable

**pH:** Not applicable

**Relative Density:** (H<sup>2</sup>O = 1): 0.9

**Melting Point:** >320° F (>160° C)

**Solubility in Water:** Insoluble

**Initial Boiling Point and Range:** Not applicable

**Flash Point:** Not applicable

**Evaporation Rate:** Not applicable

**Flammability:** Not established

**Coefficient:** Not available

**Auto Ignition Temperature:** >675° F (>357° C)

**Decomposition Temperature:** >270° F

**Viscosity:** Not applicable

**10 – Stability and Reactivity**

**General:** This is a stable material.

**Reactivity:** Not established

**Incompatible Materials:** Oxidizing agents may degrade polypropylene absorbent products over time.

**Conditions to Avoid:** Not applicable

**Hazardous Decomposition:** May emit toxic fumes during incineration

**Polymerization:** Will not occur

**11 – Toxicological Information**

**LD50:** Not available

**Carcinogenicity:** IARC: Not established  
National Toxicology Program: Not established  
OSHA: Not established

**Potential Health Effects:** See Section 2.

**Sensitization to Product:** Not available

**12 – Ecological Information**

Not applicable

**13 – Disposal Considerations**

**Waste Disposal Method:** Before saturation (use) no special disposal methods are required. Dispose of in accordance with federal, state and local regulations. The fluids absorbed while using these products determines the hazardous classification. If deemed hazardous, said material should be disposed of by an approved hazardous waste hauler/disposal service, and the producer should obtain the proper documentation.

**14 – Transport Information**

**DOT Hazard Classification:**  
**Proper Shipping Name:** Not regulated  
**UN Number:** Not applicable  
**Packing Group:** Not applicable  
**Labels Required:** None  
**Hazard Class:** Not regulated  
**Identification Number:** Not applicable

**15 – Regulatory Information**

**CERCLA Section:** No Reportable Quantity  
**California Prop 65:** Not applicable  
**OSHA Hazard Communication Standard, 29 CFR 1910.1200:** No listed ingredient  
**SARA Title III:** No listed ingredient  
**TSCA:** Ingredients of product are on the inventory list.

**16 – Other Information**

**NFPA Hazard Ratings:**   **Health – 0**  
                                  **Fire – 1**  
                                  **Reactivity – 0**
